Dear

On behalf of all of us here at CIA, I thank you for taking the time from your busy schedule to meet with us about our pressing problem with the Freedom of Information Act.

While we did not solve any problems, I think we took the first step along the path and I am personally persuaded that considerable progress was made. I look forward to seeing you again and plan to be in touch with your representative,  in the near future.

Sincerely yours,

Director, Office of External Affairs
